

Mr Bottle's Kids Party is an entertainment and production company that provides premium entertainment services for all kinds of children events.

They produce and design entertainment such as magic shows and many others to suit the needs of any event and functions. Being a team of children specialists, they organize and plan different programs for children of all ages!

Kien, the Fun Director of Mr Bottle's Kids Party, is a psychologist by training, has more than eleven years of specializing and performing for children and has performed in countries like Korea, Hong Kong, China and Malaysia.

Below is a segment of an exclusive interview with Kien:

Singapore Children's Society: *Why do you choose Singapore Children's Society as your beneficiary?*

Kien: Mr Bottle's Kids Party is determined at all times to make a positive impact on society. The company's main business is providing entertainment for the children and with a vision: to give joy to everyone, which also aligns with Singapore Children's Society's direction. "

Singapore Children's Society: *How do you come to know about the 1000 Enterprises for Children-in-Need initiative?*

Kien: Singapore Children's Society is not new to Mr Bottle's Kids Party. We have been supporting the beneficiaries for many years by performing for them. So when Singapore Children's Society approached us for the 1000 Enterprises for Children-in-Need initiative, it is expected that we support it in other ways.

Singapore Children's Society: *Why are you interested in participating in the 1000 Enterprises for Children-in-Need initiative?*

Kien: Being on the ground performing for children, we have seen very lucky children. We have learnt to appreciate the need to think about the less fortunate as well. Mr Bottle's Kids Party has always been socially responsible by involving ourselves in different meaningful projects. Last year, we donated to World Vision to help children overseas so when Singapore Children's Society approached us, it is natural that we want to get involved in the project as well.

Singapore Children's Society: *How will you encourage other companies to participate in the 1000 Enterprises for Children-in-Need initiative?*

Kien: We will be putting up information about the 1000 Enterprises for Children-in-Need initiative on our Facebook and Blog so that our business partners and clients will get to know about this initiative.

Being on the ground performing for children, we have seen very lucky children. Hence, we have learnt to appreciate the need to think about the less fortunate as well.

On behalf of our beneficiaries, Singapore Children's Society would like to express our sincere gratitude to Mr Bottle's Kids Party for supporting our fund raising effort!
